

The Barlow Family

Missionary/Church Planters to Slovenia

July/August 2008

Dear Pastor and Church

July and August in Oklahoma is nothing like what we saw in Washington and California! What great weather they have. But as good as the weather was, we sure enjoyed the fellowship with such good churches in this area also. God has been so good to the Barlow family in allowing us to meet such wonderful people and raise some support as well.

We now estimate our support level to be about 75% with the latest commitments we have received. **There are still many great churches that we have already presented to, which have yet to make a decision. We ask that you would pray with us that they would come to a decision quickly.** Our goal is still to have all of our support raised to reach the field by the end of the year.

Since the end of our deputation is so close, we have started to prepare for our visa paperwork. In speaking to the Slovene Embassy staff in Washington D.C., we have discovered another category for entrance into the country. We were completely honest and upfront with the staff about our intentions to do mission work but that according to regulations, we would have to be invited in by another church. We explained that there are not currently any churches that believe what we believe, so that would be an impossibility. The official informed us that we could always then apply under the category of "other" with an explanation of why this must be so. **Please pray that we can convince them that we only have good intentions for the people of Slovenia and that it would be to their benefit to let us in.**

We appreciate your faithful support in prayers and finances and are anxious to report the returns of this partnership with you in reaching the hopeless souls of Slovenia. **Again we ask that you pray for God to prepare hearts for our arrival and that He would bring a great harvest of eternal fruit that abounds to your account.**

May the Lord continue to richly bless,

The Barlows - Monte, Krista, Chelsea, Nicholas, Micah and Philip
