Missionary/Church Planters to Slovenia

November/December 2008

Dear Pastor and Church

November and December has allowed us to be in more great churches and make more precious friendships. It continues to bless our hearts to see how God works all over this great country as well as our neighbors up North in Canada. Overall, the world may be sliding into moral decay, but there are still places where it is obvious that the Spirit is moving and lives are being changed and people are being saved. How blessed we are for God to allow us to see His hand at work in so many different places.

It has been our desire to leave for the field by the end of this year. As I write this letter, we are still waiting on visa paperwork. We are praying that God will expedite this process but understand that God is in control and should He desire that we wait, then there must be a reason. **We are still asking folks to pray for our visa situation.** Once again, the sooner we know, the sooner we can plan for purchasing our airline tickets and making arrangements for transporting our personal items.

God is so good to us! **We have asked folks recently to pray for the young lady named Simona Jug in Slovenia who is awaiting our arrival.** Just recently in a church in Tennessee a young lady approached me with a card in her hand. On the card was written the name of a young man in Slovenia who as an exchange student in Georgia made a profession of faith. On the card was his address and information. Of course, the young man has no church to attend at the moment, but hopefully not for long! **Pray for Alen Sarlah.** Hallelujah – God is working before we even get there. That makes two saved people out of this country of more than 2 million who we can immediately deal with as soon as we get there.

We cannot express sufficiently our gratitude for your faithful support in prayers and finances. As we draw closer to the time of our departure, our entire family is getting anxious with anticipation of what God will do in Slovenia. We have seen Him save souls, call other servants to Slovenia and meet so many needs that we can't wait to see what He will do when we get there. **Please pray for God to continue to prepare hearts for our arrival and that He would bring a great harvest of eternal fruit that abounds to your account.**

May the Lord continue to richly bless,

The Barlows - Monte, Krista, Chelsea, Nicholas, Micah and Philip
