MONTE | KRISTA | PHILIP

Dear Pastor and Church,

November/December 2019

November started out by being in the Missions Revival at our home church, Bible Baptist Church in Stillwater Oklahoma. It was a huge blessing to spend that time with our sending church and we were grateful for the opportunity to reconnect with our most fervent supporters – our home church.

After that meeting we were in a series of meetings in new churches in Texas. We were greatly encouraged by the spirit of these churches and their excitement about the work God is doing with us in Slovenia. As I stated in the last letter, we did come back with the hopes of raising some much needed replacement support for some of the churches who have had to cut back because of various challenges in their ministries. We are almost there and are trusting God to know and provide for our needs.

As we wrap up our time in America, it has been a great opportunity to spend some time with family also. We got the opportunity recently to watch our oldest son Nicholas graduate from Oklahoma State University. We have also had the opportunity to spend Thanksgiving and Christmas with our parents, the first time in three years for me and I treasure these moments.

It does not change the fact that God has called us to Slovenia and we take that calling very seriously. In a few short days we will be flying back to our home in Slovenia and we do so with excitement and anxiousness to get back into the work there.

We have big plans as we return and are very excited about what the future holds for the work there. We look forward to sharing those with you over the next several letters after we return. It's been good to be back but we can't wait to get back to normal life in Slovenia.

Until next time, May the Lord richly bless you as you serve Him,
