Dear Pastor and Church,

September/October 2020

Fall is all about change. The leaves change their color and begin to fall along with the temperatures. Fall is definitely my favorite time of year...under normal conditions. For everyone in the world, 2020 has been far from normal and all about change. It is no different here in Slovenia.

One change we are dealing with is our son Philip's schooling. The only school Philip has ever attended here in Slovenia, an international school, closed this summer. He is starting his junior year of high school and it has been an adjustment back to schooling at home online for us like many of you back in America.

The changes that have been forced on churches around the world have affected us here as well. As you may remember, we had just moved into a new building in the downtown area of Ljubljana. We saw the easing up of restrictions in May and found a place with high visibility and traffic near the main bus and train stations. We just got our signage put up in the last month and started seeing new visitors and then...October.

October has brought a whole new round of cases of the virus and we are under the strictest of lockdown again with only grocery stores, gas stations and medical facilities open. Travel to any of those is restricted to city limits. Our only alternative is to broadcast to Facebook live and Youtube services without any possibility of meeting in person again.

In spite of all this change, one thing remains the same – God's love for the lost. That is why we are here in Slovenia; to tell people about this unchanging God.

At this time, we are working on a new tract with our new information. One dear lady and her son, who come to our church, can't wait to start handing them out and putting them into mailboxes which is legal here. Please pray for us and for these new opportunities that we will have as we will be doing our best to get this message out to souls in need.

Until next time, May the Lord richly bless you as you serve Him,
