

Dear Pastor and Church,

September/October 2021

For I rejoiced greatly, when the brethren came and testified of the truth that is in thee, even as thou walkest in the truth. I have no greater joy than to hear that my children walk in truth. 3 John 1:3,4.

As John declares above, the folks that he had poured himself into, had labored with, had seen come into the light and then grow into that real relationship with God were continuing in his absence. It brought him great joy. It blesses this missionary heart to know that, even though we are 6,000 miles away from Slovenia while we are on this furlough, the work still continues. We hear reports of faithfulness of those who we believe have great potential for leadership and a heart to serve. We ask you to join us in praying for those folks back in Slovenia; that God would protect His flock from evil men intent on harm and destruction.

Our reporting back to churches has been busy but God has blessed. We came back this time with the focus of recruiting people to come to Slovenia as church planters. Hearts have been touched and we praise the Lord for His working, but we really want to see God so move in someone's life that they understand the great need for workers in Slovenia and personally respond by offering their own lives to Him for His service there.

Thank you all for your prayers for Krista in her COVID recovery, as well as the abdominal issue that she has been having. She has been to see doctors and they are doing bloodwork on her to see if they can narrow down the issue. We have also tried different alternative treatments to help her and are still waiting to judge their effectiveness as well. We fully know that God is not surprised by this and we fully trust His working in her life. Please do continue to pray that her full energy will be restored and that the source of her pain will be discovered. She has been a trooper about these issues and has done her best to travel but she can't make every trip and again we ask your understanding with this.
