

The Barlow Family

Missionary/Church Planters to Slovenia

May/June 2008

Dear Pastor and Church

In the beginning of May, we started a 14-week trip away from our home. We started in the Northeast part of the United States and Canada and are now in the Pacific Northwest. Up to this point we have traveled through 23 states and 2 Canadian provinces on this trip, and how God has blessed us. We have gotten to see so many places, but better than that, we have met so many wonderful people. On top of all of that, God has moved on the hearts of so many people toward Slovenia and churches have taken us on for monthly support. **Currently, we estimate our support level to be about 70%**, which is a hallelujah for us because that means that we are roughly on track for leaving by the end of the year. That has been our desire all along.

One special blessing for our family was to be invited to the Northwest Baptist Youth Camp in Cusick, Washington. It was a blessing for our children since they missed going to camp with our home church. The singing group Witness was there providing special music and Bro. Jason Gaddis was the main speaker. They even had my favorite instructor from Heartland Baptist Bible College, Bro Aldrich there doing lessons from the Eagle series. God spoke to all of our hearts through the preaching and it was thoroughly refreshing.

Another thing we have accomplished during this last reporting period is our establishment of a website. The address is WWW.sloveniamissions.com and we invite all of you to come and check it out. Information about us, Slovenia, all of our prayer letters, and all of the ways to contact us can be found there, as well as our DVD presentation. I also have a new email address that is associated with this website; it is monte@sloveniamissions.com feel free to use this or the one listed below, both will function until we leave for the field.

Would you pray for us as we travel and continue to raise support? Pray that God would give us wisdom about the Dollar/Euro disparity and that those churches who are still considering taking us on for support would do that as quickly as possible. We are very eager to get to the field that God has called us to.

May the Lord continue to richly bless,

The Barlows – Monte, Krista, Chelsea, Nicholas, Micah, and Philip
